# FAQ's

## **How do I place an order?**

Please call (972)246-8707 or email [info@deleonprovisions](mailto:info@deleonprovisions) to contact a catering specialist.

## **What does DELEON PROVISIONS do?**

We are a catering company that helps you feed your people at home and at the office. Our catering is customizable to your event type, guest count, preferred serving style, and budget. We can make anything, and we love to work closely with you to accomplish your vision.

## **How much notice do you need to book my catering?**

For grazing board and business lunch orders, we ask for 48 hours notice. For full service events, we recommend you book as far in advance as possible, to ensure your date is reserved on our calendar. However, please feel free to call us at (972) 246-8707 for last minute orders. We'll do our best to make it happen!

## **Deposit & Billing Schedule**

Clients will pay a non-refundable booking fee calculated as 25% of the base menu price using an estimated guest count. An additional 25% will be invoiced 14 days prior to the event. Final billing will be invoiced post event.

## **What is your cancellation policy?**

For all private events, we require 72 hours, as we have scheduled our team and blocked off our catering calendar. For all others, we require at least a 24 hour notice.

## **What methods of payment do you accept?**

We accept cash, check, VISA and MasterCard. Payment is due at time of order for family meal & business lunch orders. Special event invoicing is available.

## **What's the story behind your vintage mail truck, Ellie and how do I get her to come to my party?**

Ellie is our adorable delivery vehicle and everyone's favorite team member! She is a 1950 Ford Step & Serve truck, built for U.S. Post Office. Ellie is equipped with a large service window and she's perfect for all kinds of parties. If you would like to include her in your event to serve out of or show her off, she's available for \$20 an hour if using us to cater your event. Contact us for a customized quote if you just need Ellie for your event.
